## **The Missouri Department of Corrections**

### **Department Overview**

The mission of the Missouri Department of Corrections is to supervise and provide rehabilitative services to adult offenders in correctional institutions and Missouri communities to enhance public safety. The Department has over 11,000 corrections professionals working in four divisions and the Office of the Director.

The Office of the Director coordinates the internal activities of all the divisions and with all external stakeholders such as the press, public and elected officials. The Office of the Director contains the Budget and Research Unit, the Emergency Preparedness/Workplace Violence Coordinator, the Victim's Services Unit, the Reentry/Women's Offender Program, the Office of the Inspector General, the Office of the General Counsel, the Public Information Office and Legislative/Constituent Services.

The Division of Human Services (DHS) functions as the administrative division for the Department and contains the following support activities: the Human Resources Section, the Fiscal Management Unit, the Offender Finance Section, the Training Academy, the General Services Section, the Religious/Spiritual Services Section, the Volunteer/Intern Section, the Planning Section and the Employee Health and Safety Section.

The Division of Adult Institutions (DAI) operates 20 adult correctional facilities which are responsible for ensuring offenders sentenced to the Department's custody are confined in a safe, secure and humane manner and have access to programs and services to assist them in becoming productive citizens. The Division also operates the Central Transfer Authority which is responsible for reviewing and evaluating all offender classifications and transfers between institutions; the Central Transportation Unit which is responsible for the transportation of offenders across the state and country; and the Certified Grievance Unit which is responsible for addressing offender grievances appeals.

The Division of Offender Rehabilitative Services (DORS) is responsible to provide programs and services to assist offenders in becoming productive citizens upon release from prison. Such programs include Reception and Diagnostic Center Assessment, Adult Education, Library Services, Long-term and Short-term Substance Abuse Treatment, Offender and Staff Drug Testing, Offender Health Care (Medical and Mental Health), Specialized Mental Health Units, Sexual Offender Assessment and Treatment, Mental Health Offender Assessment and Treatment, Work-based Education and the Missouri Vocational Enterprises.

The Division of Probation and Parole, supervised by the Board of Probation and Parole, operates 56 field district offices, eight (8) field satellite offices, 19 institutional parole offices, seven (7) Community Supervision Centers and two (2) Community Release Centers in order to supervise offenders sentenced to a term of probation by the courts or released from incarceration on parole by the Board.

They monitor offenders through direct supervision, which may include the use of Residential Facilities and the Electronic Monitoring Program. The agency also provides supervision support through community substance abuse and mental health treatment services for offenders in under-served areas of the state.

**3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.**

The FY2015 budget includes appropriation authority for a 1% pay raise for all state employees, except elected officials, members of the general assembly and judges covered under the Missouri Citizens' Commission on Compensation for Elected Officials, beginning January 1, 2015 (11 pay periods). The remaining 13 pay periods were unfunded, but the stated intent of the legislature was to provide the funding in FY2016.

**4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)**

The appropriated amount for the Fiscal Year 2015 pay plan was based on one percent of the core personal service appropriations. That amount was then adjusted to reflect 11 pay periods which are the number of pay periods that would be paid in Fiscal Year 2015 after January 1, 2015. The Fiscal Year 2016 requested amount is equivalent to the remaining 13 pay periods in order to provide the core funding necessary for a full fiscal year.

**3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.**

The FY2015 budget includes appropriation authority to achieve half of the Personnel Advisory Board's (PAB) proposed targeted, class specific salary increases for certain registered nurse, youth specialist and children's service worker positions to improve recruitment and retention, beginning January 1, 2015. The remaining portion of the year (July 1-December 31) was unfunded, but the stated intent of the legislature was to provide a full year of funding in FY2016.

**NEW DECISION ITEM**  
**RANK: 3 OF**

<b>Department</b>	Corrections	<b>Budget Unit</b>	97415C & 95415C
<b>Division</b>	Statewide		
<b>DI Name</b>	PAB Rec Increase FY 15 - Cost to Continue	<b>DI#:</b>	0000015

**4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)**

The Governor-recommended FY2015 amounts were calculated to apply the PAB recommendations to each of the below listed job classes beginning July 1, 2014. The legislature then reduced the recommendations by half (as reflected below) with a delayed start date of January 1, 2015. The FY2016 requested amount is equivalent to the six remaining months in order to provide the core funding necessary for a full fiscal year.

- Youth Specialist I – Repositioning from Range 15 to Range 16 and a one-step targeted within-grade increase
- Youth Specialist II, Youth Group Leader, Children's Service Worker I and II, Children's Service Supervisor – one-step targeted within-grade increase
- Registered Nurse, Registered Nurse Senior, Registered Nurse – Clinical Operations, Registered Nurse Supervisor – 3% salary adjustment
- Registered Nurse Manager (Bands 1-3) – 2.5% salary adjustment
- DMH Maximum & Intermediate Security Facility Registered Nurse positions – 5% & 3.3% salary adjustments

### 2. CORE DESCRIPTION

The Missouri Department of Corrections is committed to the philosophy of improving offenders' transition from prison to the community through implementation of the Missouri Reentry Process (MRP). This involves collaborative efforts with other state agencies and community organizations to identify and manage the factors contributing to the health, safety and prosperity of Missouri communities. Improved public safety requires a comprehensive effort between the Department of Corrections, the state's criminal justice system (including the courts, state and local law enforcement), our communities and the General Assembly to effectively manage every offender sentenced to be supervised by the Department. To carry out our part of this collaboration, the Department of Corrections manages risk to the community by assigning offenders along its continuum of supervision strategies in the field and our facilities. Offenders under community supervision are continuously assessed for their risk to re-offend. Offenders sentenced to confinement are secured in institutions whose operations are safe, constitutional and humane. Incarcerated offenders are required to prepare for reentry by successfully meeting expectations for restitution, education, work and treatment. The Director of the Department of Corrections is charged with shaping legislation as well as formulating policy and procedures for effective and efficient implementation of goals and objectives that improve public safety. To apply these pre-release and reentry-oriented policies and procedures to the offender population, the Office of Director directs and coordinates the actions of the Department's four divisions: Human Services, Adult Institutions, Offender Rehabilitative Services and Probation and Parole.

The Office of the Director is also responsible for providing oversight to the contract which supports mentoring services offered through the AMACHI Program developed by the Big Brothers/Big Sisters organization. All incarcerated offenders are eligible to refer their children to this program to address issues they may face during their parent's incarceration. The AMACHI Program provides a mentor for the child during their parent's incarceration and evaluates attendance at school, behavioral issues and school grades. In addition to these services, reentry issues are also addressed to prepare the parent and child for reunification.

### 1. What does this program do?

The Department of Corrections Missouri Reentry Process (MRP) is a system of resources, programs and partnerships designed to decrease offender risk and enhance offender self-sufficiency to improve public safety. This process coordinates the efforts of the State and the community to successfully transition offenders from prison and ensure that they are released to the community with appropriate substance abuse treatment, mental health treatment services, housing, job training and placement services. The process targets the approximately 18,000 offenders per year who return to Missouri communities following a period of confinement in a State correctional institution. The Reentry Unit manages a number of programs and initiatives related to the MRP and provides offender reentry assistance and direction to divisions within the Department of Corrections, partnering agencies and the community. The purpose of this assistance is to empower professionals and community members to better assist the offender population with their reintegration to the community. The Women's Offender Program was established to ensure accountability, reliability and continuous improvement in meeting the Department's commitment to provide gender responsive resources and interventions to women incarcerated or under probation or parole supervision. The Department of Corrections understands the value of partnership and works closely with the State-level MRP Steering Team, the 40 local MRP Steering Teams, and various other state, federal and community agencies, organizations and faith-based groups.

The Reentry Unit also provides oversight and support to the Department of Corrections' Restorative Justice efforts. Through restorative justice initiatives offenders are encouraged to reflect on the harm caused by their criminal activity and to make restoration to victims, the community and their families as part of their sentence to prison. Restorative Justice holds the offender accountable and provides a means for them to repay their debt to the victim and the community. These initiatives also provide the offender an opportunity to leave the system with an improved attitude and sense of belonging as well as strengthened social bonds that serve as the foundation of our communities. Through the efforts of offender volunteers, not-for-profit agencies and victims statewide received reparative products and services. Examples include donation of quilts, fruits and vegetables harvested from inmate gardens, wooden toys, refurbished bicycles, etc. to organizations such as the Salvation Army, children's hospitals, senior citizen homes, schools, KidSmart, Newborns in Need, Head Start, Boys and Girls Club, Veterans Administration Hospitals, homeless shelters, and many more. In addition, many offenders attend Impact of Crime on Victims Classes (ICVC) which enable offenders to develop a sensitivity and respect toward victims that helps prevent further victimization.

The Kansas City Reentry Program provides reentry services in the Kansas City area (Jackson and Clay County). Probationers and parolees at moderate to high-risk to re-offend are eligible for services and referrals will be made by the supervising Probation/Parole Officer. The contractor provides services that include, but need not be limited to, housing, employment (job development, readiness, placement and retention) and mentoring. Through a network of providers the contractor also assists offenders and their families in obtaining treatment resources, family services, identification documents, financial assistance, education services and health services. Through case management and ongoing interaction the contractor assists offenders in reducing criminogenic needs and eliminating barriers to compliance. This program started in FY11.

**2. CORE DESCRIPTION**

The funding is to provide Administrative Jail Sanctions for offenders under supervision in the community as outlined in Section 217.718, RSMo. A probation or parole officer may order an offender to submit to a period of detention in the county jail, or other appropriate institution, upon a determination by a probation or parole officer that the offender has violated a condition of continued probation or parole. The period of detention may not exceed forty-eight hours the first time it is imposed against an offender during a term of probation or parole. Subsequent periods may exceed forty-eight hours, but the total number of hours an offender spends in detention under this section shall not exceed three hundred and sixty in any calendar year.

The Division of Probation and Parole shall reimburse the county jail or other institution for the costs of detention at a rate determined by the Department of Corrections, which shall be at least thirty dollars per day per offender and subject to appropriation of funds by the general assembly. Prior to ordering the offender to submit to the period of detention, the probation and parole officer shall certify to the county jail or institution that the division has sufficient funds to provide reimbursement for the costs of the period of detention. A jail or other institution may refuse to detain an offender if funds are not available to provide reimbursement or if there is inadequate space in the facility for the offender.

### NOTES:

#### FY13 and FY14:

The Division of Probation and Parole (P&P) worked with the Office of the State Courts Administrator (OSCA) to identify potential jail sites to implement the use of administrative jail sanctions. However, as implementation approached, P&P encountered issues with jails concerning the requirement that state offenders be housed in Prison Rape Elimination Act (PREA) compliant facilities. Because of this, the division was unable to expend any justice reinvestment funds in FY13 and FY14.

**2. CORE DESCRIPTION**

This core provides funding for oversight and coordination of the Department of Corrections Missouri Reentry Process (MRP) which is a system of resources, programs and partnerships designed to decrease offender risk and enhance offender self-sufficiency to improve public safety. This process coordinates the efforts of the State and the community to successfully transition offenders from prison and ensure that they are released to the community with appropriate substance abuse treatment, mental health treatment services, housing, job training and placement services. The process targets the approximately 19,000 offenders per year who return to Missouri communities following a period of confinement in a State correctional institution. The Reentry Unit manages a number of programs and initiatives related to the MRP and provides offender reentry assistance and direction to divisions within the Department of Corrections, partnering agencies and the community. The purpose of this assistance is to empower professionals and community members to better assist the offender population with their reintegration to the community. The Women's Offender Program works to ensure accountability, reliability and continuous improvement in meeting the Department's commitment to provide gender responsive resources and interventions to women incarcerated or under probation or parole supervision. The Department of Corrections understands the value of partnership and works closely with the State-level MRP Steering Team, the 44 local MRP Steering Teams, and various other state, federal and community agencies, organizations and faith-based groups.

### 1. What does this program do?

The Department of Corrections Missouri Reentry Process (MRP) is a system of resources, programs and partnerships designed to decrease offender risk and enhance offender self-sufficiency to improve public safety. This process coordinates the efforts of the State and the community to successfully transition offenders from prison and ensure that they are released to the community with appropriate substance abuse treatment, mental health treatment services, housing, job training and placement services. The process targets the approximately 18,000 offenders per year who return to Missouri communities following a period of confinement in a State correctional institution. The Reentry Unit manages a number of programs and initiatives related to the MRP and provides offender reentry assistance and direction to divisions within the Department of Corrections, partnering agencies and the community. The purpose of this assistance is to empower professionals and community members to better assist the offender population with their reintegration to the community. The Women's Offender Program was established to ensure accountability, reliability and continuous improvement in meeting the Department's commitment to provide gender responsive resources and interventions to women incarcerated or under probation or parole supervision. The Department of Corrections understands the value of partnership and works closely with the State-level MRP Steering Team, the 40 local MRP Steering Teams, and various other state, federal and community agencies, organizations and faith-based groups.

The Reentry Unit also provides oversight and support to the Department of Corrections' Restorative Justice efforts. Through restorative justice initiatives offenders are encouraged to reflect on the harm caused by their criminal activity and to make restoration to victims, the community and their families as part of their sentence to prison. Restorative Justice holds the offender accountable and provides a means for them to repay their debt to the victim and the community. These initiatives also provide the offender an opportunity to leave the system with an improved attitude and sense of belonging as well as strengthened social bonds that serve as the foundation of our communities. Through the efforts of offender volunteers, not-for-profit agencies and victims statewide received reparative products and services. Examples include donation of quilts, fruits and vegetables harvested from inmate gardens, wooden toys, refurbished bicycles, etc. to organizations such as the Salvation Army, children's hospitals, senior citizen homes, schools, KidSmart, Newborns in Need, Head Start, Boys and Girls Club, Veterans Administration Hospitals, homeless shelters, and many more. In addition, many offenders attend Impact of Crime on Victims Classes (ICVC) which enable offenders to develop a sensitivity and respect toward victims that helps prevent further victimization.

The Kansas City Reentry Program provides reentry services in the Kansas City area (Jackson and Clay County). Probationers and parolees at moderate to high-risk to re-offend are eligible for services and referrals will made by the supervising Probation/Parole Officer. The contractor provides services that include, but need not be limited to, housing, employment (job development, readiness, placement and retention) and mentoring. Through a network of providers the contractor also assists offenders and their families in obtaining treatment resources, family services, identification documents, financial assistance, education services and health services. Through case management and ongoing interaction the contractor assists offenders in reducing criminogenic needs and eliminating barriers to compliance. This program started in FY11.

### 2. CORE DESCRIPTION

The Department of Corrections requires spending authority to seek, accept and expend funds from Federal and other authorized sources. Funds are used for a variety of purposes, including education, substance abuse services, assessment and testing, offender reentry programs and information systems enhancements. The Department utilizes federal grants to assist in the following areas: Special Education; Carl Perkins grants; Title I thru Title III Education grants; the Residential Substance Abuse Treatment Program (RSAT); and others grants that may become available.

This request also provides spending authority to accept cash donations for a Puppies for Parole (P4P) Program within the State's correctional centers. Offenders within the institutions will train dogs from local animal shelters to improve the dog's adoptability within the local community. The P4P program creates a partnership between a participating correctional facility and a local community animal shelter. The program operates at no cost to the State or the Department, although the Department will be seeking donations to help care for the animals. Veterinary services are provided by the partnering agency. Animals will normally remain in the program approximately 8-10 weeks, but under no circumstances longer than 6 months. Offenders are screened and must meet eligibility requirements to participate in the program. Upon completion of the program, the dogs are adopted, which is facilitated by the partnering agency.

### 1. What does this program do?

The Department of Corrections requires spending authority to seek, accept and expend funds from Federal and other authorized sources. Funds are used for a variety of purposes including: education; substance abuse services, assessment and testing; offender reentry programs; and communications systems enhancements. The Department utilizes federal grants to assist in the following areas: Special Education; Carl Perkins grant; Title I through Title III Education grants; the Residential Substance Abuse Treatment program (RSAT); Second Chance Act grants; Justice Assistance grants; and other grants that may become available.

This authority also gives the Department the ability to accept cash donations for a Puppies for Parole (P4P) Program within the State's correctional centers. Offenders within the institutions train dogs from local animal shelters to improve the dog's adoptability within the local community. The P4P program creates a partnership between participating correctional facilities and a local community animal shelter. The program operates at no cost to the State or the Department, although the Department will be seeking donations to help care for the animals. Veterinary services are provided by partnering agencies. Animals will normally remain in the program approximately 8-10 weeks, but under no circumstances longer than 6 months. Offenders are screened and must meet eligibility requirements to participate in the program. Upon completion of the program, the dogs are adopted, which is facilitated by the partnering agency.

### **The Office of the Director Administration (OD STAFF)**

The Office of the Director Administration received Federal Funds for the Department of Justice, Justice Assistance Grant for Radio System Upgrades.

**Program is found in the following core budget(s):** OD Admin, Reentry, DAI Admin, Substance Abuse and Academic Education

**3. Are there federal matching requirements? If yes, please explain.**

Substance Abuse Services - The Residential Substance Abuse Treatment grant requires a 25% match.

Academic Education - Federal Supreme Court decisions require the provisions of "access to courts" through the provisions of legal resources, reference material provided in the offender libraries and self-improvement materials. Offenders under age 22 who qualify as special needs children under provisions of Part B of the Federal Individuals with Disabilities Education Act (IDEA), must be provided Free and Appropriate Public Education (FAPE).

**5. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year.**

**6. What are the sources of the "Other " funds?**

Institutions Gift Trust Fund (0925)

**1. What does this program do?**

Through a combination of state-operated, interagency agreement and outsource services, the Department provides qualified educators to conduct institution-based education programs for offenders. Incarcerated offenders without a verified high school graduation diploma or high school equivalency certificate are required to enroll in academic education. The Department continuously assesses the educational needs of inmates from intake through release to the community. Libraries at every correctional institution enhance academic education and serve the informational needs of offenders, including constitutionally mandated "access to courts" through legal resources and reference and self-improvement materials. Offenders who have obtained a high school diploma or equivalent may apply for admission to post-secondary work-related skills training.

**2. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

Chapter 217.355 RSMo., Public Law 94-142 (Federal), Title I, II, IV and V, Title II-Work Force Investment Act/Adult Education and Literacy, Supreme Court decisions regarding offender libraries (Federal).

**3. Are there federal matching requirements? If yes, please explain.**

No. There are no matching requirements, however the federal government does require "maintenance of effort" which means that the state must spend at least as much on education each year as in the previous year.

**4. Is this a federally mandated program? If yes, please explain.**

Federal Supreme Court decisions require the provision of "access to courts" through the provision of legal resources, reference material provided in the offender libraries and self-improvement materials. Offenders under age 22 who qualify as special needs children under provisions of Part B of the Federal Individuals with Disabilities Education Act (IDEA), must be provided a Free and Appropriate Public Education (FAPE).

**3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.**

The Missouri Department of Corrections is requesting funding to comply with the provisions of the Federal Prison Rape Elimination Act of 2003 (PREA) which was enacted by Congress to prevent, detect and respond to prison rape. On August 20, 2012, revised PREA standards became effective that necessitate in-depth investigations and reporting requirements for all PREA allegations. These new standards have resulted in a tremendous increase in workload for institutional investigative staff, especially at the maximum security facilities as this is where the majority of the PREA allegations occur. Therefore the DOC requests a total of six investigators, one for each of the six maximum security facilities (Crossroads Correctional Center, Eastern Reception and Diagnostic Correctional Center, Jefferson City Correctional Center, Potosi Correctional Center, South Central Correctional Center and Southeast Correctional Center) in order to ensure compliance with PREA.

**2. CORE DESCRIPTION**

Ongoing operations require the procurement of sufficient telecommunications services and equipment for Department administrative officers, 20 correctional centers, two community release centers, 56 Probation and Parole district offices, seven sub-offices and seven community supervision centers. The Telecommunications Unit coordinates with the Office of Administration, Division of Information Technology, equipment vendors and local and long-distance service providers to ensure that an adequate number of the correct type of phone/data lines and equipment are provided to Department staff. The unit is responsible for filing and maintaining the Department's frequency licenses with the Federal Communication Commission. The utilization of a centralized funding source allows the Department to manage costs more efficiently, accommodate regional and temporary fluctuations in prices and provide standardization of phone and data lines throughout the Department.

**2. CORE DESCRIPTION**

RSMo. 650.058 gives the Department of Corrections the authority to make restitution payments to individuals convicted of a felony in a Missouri court who were later found to be "actually innocent" solely as a result of the DNA profiling analysis. Individuals are to be paid \$50 per day for every day of post-conviction incarceration for the crime for which the individual was found to be "actually innocent." These payments are capped at \$36,500 per year, which constitutes restitution for two years of wrongful incarceration, and are subject to appropriation.

In FY07 the Department was appropriated sufficient funds to begin making these restitution payments to individuals who had been exonerated by the DNA profiling system to date. Since that time, the Department has paid restitution for up to five offenders per year. In FY16, there will only be one individual receiving restitution payments.

<b>TOTAL :</b>	<b>\$73,000</b>					<b>\$73,000</b>

### 1. What does this program do?

Senate Bill 1023, which passed in 2006, gave the Department of Corrections (DOC) the authority to make restitution payments to individuals convicted of a felony in a Missouri court who are later found to be "actually innocent" solely as a result of the DNA profiling analysis. The individual is to be paid \$50 per day for every day of post-conviction incarceration for the crime for which the individual was found to be "actually innocent." These payments are capped at \$36,500 per year per individual, which constitutes restitution for two years of wrongful incarceration and are subject to appropriation.

In FY07, the Department was appropriated sufficient funds to begin making these restitution payments to individuals who had been exonerated by the DNA profiling system to date. Since that time, the Department has paid restitution for up to five offenders per year. The appropriation will be reduced in FY16 to reflect payment to only one person.

If other individuals are exonerated and become eligible for restitution, the Department will have to seek additional appropriations. If the Department has more exonerated individuals than the number appropriated for, payments would have to be pro-rated for all individuals which would lengthen the time required to pay the full restitution required by law.

### 2. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)

Chapter 650.058 RSMo.

### 3. Are there federal matching requirements? If yes, please explain.

No.

### 4. Is this a federally mandated program? If yes, please explain.

No.

### **NOTES:**

The Food appropriation has an unavoidable lapse every year due to the period at the end of every fiscal year when SAM II is inaccessible due to its closing out one fiscal year and being loaded for the next fiscal year. This means that funds cannot be encumbered nor orders placed during this period. Because of the perishable nature of many food products, the Department must place large orders prior to SAM II becoming inaccessible so products can be received during that time period. This product is paid for in the following year and this process generates lapse.

### **FY14:**

Federal lapse due to authority that could not be utilized due to lower federal reimbursements.

### **FY13:**

Flexibility was utilized to meet year-end expenditure obligations. Food Purchases received flexed funds from OD Staff \$212,000, Population Growth Pool \$141,737, Telecommunications \$57,319, Wage & Discharge \$53,366, DORS Staff \$90,000, Substance Abuse \$500,000, Academic Education \$13,000 and St. Louis Community Release Center \$100,000. Federal lapse due to authority that could not be utilized due to lower federal reimbursements.

### **FY12:**

Flexibility was utilized to meet year-end expenditure obligations. Food Purchases received \$400,000 in flexed funds from the Substance Abuse E&E GR appropriation.

**2. CORE DESCRIPTION**

The Employee Health and Safety Section ensures department staff work in a safe and healthy environment by testing and treating for communicable diseases including provision of vaccines; providing personal safety equipment for staff; coordinating staff drug testing; coordinating fitness for duty evaluations; independent medical evaluations after drug testing; second opinion on Family Medical Leave Act (FMLA) evaluations; and promoting safety and wellness activities. The section addresses health and safety issues that arise in a correctional setting. For example, tuberculosis (TB) cases occur overall at least three (3) times more often in prison than in the general population. In 1990, the Missouri Department of Corrections TB case rate was 12 times the general adult population. TB case rates are currently the same as the state general population due to the TB control protocol developed in conjunction with the Department of Health and Senior Services. TB testing is mandated under Chapter 199.350 RSMo. and 10CSR 20-20.100. The Department supervises a substantial number of individuals who have a high probability of engaging in behaviors that have been identified as "high-risk" for the transmission of Hepatitis B and other blood borne pathogens. Correctional staff are at risk for occupational exposure to Hepatitis B. Chapter 292.650 RSMo. mandates Hepatitis B vaccinations for "at risk" state employees. Chapter 192 RSMo. and 19 CSR 20-20.092 mandate personal protective equipment (gloves, masks, fluid proof jumpsuits, impervious sleeves, etc) for employees. In addition, the Department promotes wellness via the statewide wellness initiative and offers activities to augment the initiative. These initiatives are funded through Employee Health and Safety; vaccine promotion, illness prevention through good hand washing, etc.

**2. CORE DESCRIPTION**

This request is in accordance with Chapter 105.935 RSMo. which requires state agencies to pay-off all non-exempt 24/7 institutional employees' compensatory time balances annually. Chapter 105.935 RSMo. also states that all non-exempt 24/7 institutional custody employees may receive payment for compensatory time balances (a minimum of 20 hours) monthly upon request. Statute also states that state agencies must budget all funds for payments of compensatory time to those designated employees in one House Bill section. This request will allow the Department to comply with that statute. Depending upon availability of funds, this appropriation is also used to pay compensatory time balances to other Department staff not expressly identified in Chapter 105.935 RSMo.
